SUBJECT: G. O. Bond Election for DACC

On February 3 please support NMSU Doña Ana Community College by going to the polls and voting in the General Obligation Bond Election which will result in capital and operating funds without raising taxes. There are two questions on the ballot.

If the bond election passes, capital improvements totaling \$15 million will provide needed funding for repairs, site improvement and new buildings. The second question will result in funding for certificate programs at remote learning centers and help for students in dual credit and early college high school programs and totals \$5 million.

Voters can go to the government center in the county clerk's office at Motel Boulevard to cast a ballot until January 30. On February 3 there will be many voting places available including Corbett Center on the NMSU campus.

I encourage you to vote on this important bond issue.
