RE: Vice President for University Advancement Search

I am happy to announce that New Mexico State University has finalized a search committee for its next vice president for university advancement and president of the NMSU Foundation.

I have asked Angela Throneberry, NMSU senior vice president for administration and finance, to chair the search. An executive search firm will be selected to assist the committee with a national search. A Request for Proposal has been distributed with proposals due to the university August 22.

The search committee includes:

Lee Ellen Banks, NMSU Foundation Board  
Tina Byford, interim vice president, University Advancement  
Tammie Aragon Campos, director, Alumni Affairs  
Dennis Clason, chair, Faculty Senate  
Ammu Devasthali, Las Cruces community member and donor  
Steve Elias, department head, Department of Marketing  
Nick Franklin, NMSU Foundation Board  
James Hall, associate athletics director, Athletics  
Julie Hughes, director, Public Affairs, will serve as a resource to the committee  
David Maestas, president, ASNMSU  
Mike Morehead, dean, College of Education  
Brenda Porter, NMSU Foundation Board  
Andrea Tawney, assistant dean and development officer  
Pamela Wood, member, Employee Council.

A website will be established to provide information on the search and will be available soon at <http://www.nmsu.edu/hire/>

I look forward to the outstanding work this committee will perform for the university.
